***Delaware Nature Society's
mission is to connect people
and nature to create a
healthy environment for
all through education,
conservation, and advocacy.***

WELCOME TO SUMMER CAMP 2026

We are overjoyed to share that thanks to your incredible support, DelNature Summer Camps have been voted “Best of Delaware” by the readers of Delaware Today magazine!

This honor is more than just an award; it's a reflection of the community we have built together. Thank you to every family who has trusted us with your children's summer adventures and supported us over the years.

The unique spirit of DelNature Summer Camps comes from the passion of our dedicated volunteers, enthusiastic staff, and especially from families like yours who believe in our mission. Together, we create unforgettable summer experiences that nurture curiosity and foster a love for nature.

Your input each season inspires us to grow to make every summer better than the last. At Delaware Nature Society, we are committed to continually improving the camp experience so that every child can explore nature, learn new skills, and create lifelong memories.

Thank you for being an essential part of the DelNature family. We can't wait to get outside with you again this summer!

-Erynn DeGennaro,
Director of Education

CAMP GOALS AND OBJECTIVES

PRESCHOOL SUMMER FUN:

Age 3-4: Grown Up and Me programs bring grown-ups and children together through nature exploration, cooking, and imaginative play. Share time bonding, discovering, and enjoying outdoor adventure together.

Age 4-5: These are half-day programs where children learn through sensory-based adventures. Play-based activities designed to support child development milestones, relationship building, and self-expression.

FULL DAY SUMMER CAMPS ORGANIZED BY GRADE COMPLETED:

Grade Completed K or 1: Campers lean into curiosity through exploration and play. Activities challenge campers to be active and creative while developing confidence and social skills in a natural setting.

Grade Completed 2 or 3: Break into adventure with activities designed to build confidence and promote independence. Campers have opportunities to take charge of their experience through decision-making.

Grade Completed 4, 5, or 6: Kick it up a notch with adventures that dive deeper into learning new skills and environmental topics. Campers step outside their comfort zone with a wide range of offerings and topics from art and cooking to paddle sports and survival skills.

Grade Completed 7, 8, or 9: Advanced experiences designed to engage Tweens and Teens. They'll build and learn new skills from experts in conservation, wildlife, recreation, and more!

OUR SUMMER CAMP PROMISE

Our Summer Camps will have your children safely exploring and discovering the wonders of nature. We guarantee daily doses of fun! Whether your child is a budding naturalist, an outdoor explorer, or a future educator, our camps offer a unique and safe summer experience in natural areas and preserves. We connect children with nature through hands-on, outdoor experiences with highly qualified instructors. We are committed to:

- Providing opportunities that stimulate the development of each camper's self-esteem.
- Helping each camper appreciate the natural surroundings and take an active role in the stewardship of our environment.
- Providing situations for each camper to set goals and challenge themselves, through exploring and learning while discovering his or her own skills, abilities and interests.
- Allowing each child to experience being part of a group and the opportunity to socialize with others.

Visit DelNature.org/ParentsCorner for the full list of our Summer Camp goals.

JOIN OUR CAMP STAFF

HELP CHILDREN DISCOVER THE MAGIC OF NATURE

Apply at DelNature.org/Jobs

Our Instructors

Camp Instructors

Paid Positions, Age 18+

Lead a full week (or weeks!) of adventures with campers and make memories to last a lifetime. Choose from a variety of camper ages and teaching themes to fit your experience. Work a minimum of 1 week of camp.

Summer Internships

Paid Positions, Age 18+

Spend the full summer adventuring with camp! An opportunity for college students to gain experience using the latest environmental education techniques. Support delivery of educational lessons and activities for children ages 3 - 15. Housing provided if needed and available.

Camp Counselors

Paid Positions, Age 16+

Become a leader at summer camp! Support the delivery of activities for children ages 5 - 12. Form a bond with campers each week while traveling between activities, making up cheers, playing games, and more. Work a minimum of 6 weeks during the summer.

- Experts in outdoor education
- Trained in environmental education techniques, natural history, outdoor/canoe/kayak/van-driving safety
- Background-checked
- First Aid and CPR certified

Become a Camp Aide through the DelNature Environmental Leaders Program.

Join us for a one-of-a-kind opportunity to connect with nature and make lasting memories. This program is designed for teens who are passionate about the outdoors and want to develop leadership skills while giving back to their community and the environment.

The Environmental Leaders Program strives to empower high schoolers to become leaders in environmental conservation, advocacy, and education! Starting this spring, the program begins by preparing teens with a leadership retreat and trainings to prepare participants to **volunteer** with Summer Camp as Camp Aides.

After summer, participants will continue with community outreach, environmental mentorship, career building, and recreational opportunities throughout the year. Participants are required to volunteer for 4 weeks with summer camp as Camp Aides and will be required to attend one event per season. We understand that teens are busy, especially during the school year, and will be offering a variety of events to attend. Visit DelNature.Org/Teen for more information!

Hurry online, applications close April 1st, 2026. DelNature.Org/Teen

GROWN-UP AND ME AGES 3-4 YEARS

GROWN-UP AND ME SESSIONS RUN DAILY, 9:30 AM - 12 PM

ASHLAND NATURE CENTER

Join us

for a day or a week of exciting activities that bring grown-ups and children together in nature. SUMMER CAMP GRADE COMPLETED 4, 5, OR 6

ALL CAMP SESSIONS RUN DAILY, 8:30 AM - 3 PM

ABBOTT'S MILL NATURE CENTER

On Abbott's Pond

Mon 7/6 - Fri 7/10

\$300

Take a deep dive into pond ecosystem exploration! Have fun as you paddle by canoe, seine, fish, test water quality, and observe plants and animals both macro and microscopic. Learn about the many secrets of pond ecology and enjoy recreational opportunities that ponds have to offer.

Survivor: Abbott's Mill

Mon 7/20 - Fri 7/24

\$300

Become an outdoor survivalist and set yourself loose in the wild! Have fun as you learn valuable survival skills including fire building, first aid, trail safety, wild edible plants, cooking in the wild, shelter building, fishing, and orienteering (map and compass). Put your outdoor and team building skills to the test as you compete in survival challenges. Van transportation for field trips provided.

Nature's Magic

Mon 8/3 - Fri 8/7

\$300

Nature is chock full of truly amazing features, you just need to know where to look! Learn about medicinal plants and how humans rely on the natural environment for their daily needs. Peer through a microscope lens for closeup views of the tiny world that is all around us but rarely seen. Appreciate the "magical" things that abound in nature!

ASHLAND NATURE CENTER

Excellent Adventures

Mon 6/8 - Fri 6/12

\$495 (Members Get 15% off)

Go fishing, paddling, geocaching, and test your skill and stamina as we climb at the DE Rock Gym.

Hike into the woods, play outdoor games, and experience a new adventure each day! Challenge yourself on a high ropes adventure and shed the summer heat in while you explore a local creek. Van transportation for field trips provided.

Child Versus Wild

Mon 6/15 - Thur 6/18

\$375 (Members Get 15% off)

Become an outdoor survivalist and set yourself loose in the wild! Learn to survive in the wild by learning skills in fire building, first aid, trail safety, wild edible plants, cooking in the wild, shelter building, fishing, and archery. Get yourself out of the boondocks in one piece. Van transportation for field trips provided. *This is a 4-day camp.*

Make the jump to earth and hunt fossils, collect rock and mineral samples, and visit a historic mine. Perform weather experiments and track your observations and recordings for the week. Stay overnight in the Ashland lodge Wednesday and Thursday nights to explore Ashland after dark. Take night hikes, tell stories by campfires, play games, and much more! Van transportation for field trips provided.

SUMMER CAMP GRADE COMPLETED 7, 8, OR 9

ALL CAMP SESSIONS RUN DAILY, 8:30 AM - 3 PM

COVERDALE FARM PRESERVE

Teen Farm Camp

Mon 6/29 - Thur 7/2

\$330 (Members Get 15% off)

Grow real skills, build friendships, and dig into something real! Join us for a week of hands-on farming experiences and nature exploration. Get your hands dirty alongside our farmers, learn about animal care up close, pitch in on projects, and leave with a better understanding of what regenerative agriculture or "farming with nature" means at Coverdale. Develop a stronger connection with our land, water, and food systems every day. Van transportation for field trip is provided. *This is a 4-day camp.*

Kitchen Showdown

Mon 7/6 - Fri 7/10

\$500 (Members Get 15% off)

Step into the kitchen and let your creativity shine in this cooking camp! Experiment with exciting ingredients, bold flavors, and fun techniques as you craft your culinary masterpieces. Work in teams, test your skills, and embrace your competitive spirit. The week builds to an epic cook-off where you'll showcase your original creations and savor the taste of victory. Get ready for a week of kitchen adventures, teamwork, and delicious fun! Van transportation for field trip is provided.

DUPONT ENVIRONMENTAL EDUCATION CENTER

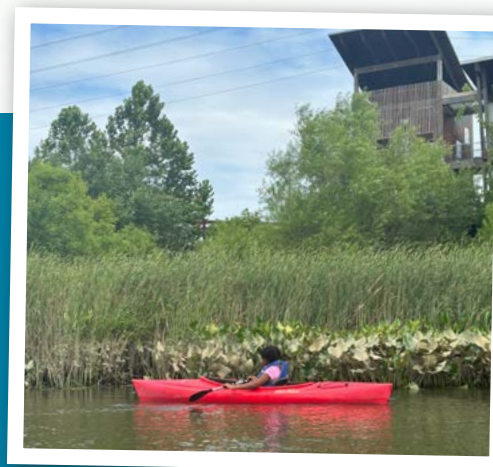

Christina River Rangers

Mon 6/29 - Thur 7/2 AND Mon 7/6 - Fri 7/10

A partnership camp with the Wilmington Youth Rowing Association and Delaware Nature Society.

Youth ages 10-14 can dive into an unforgettable two-week adventure along the scenic Christina River! Christina River Rangers offers campers the chance to explore and experience the river's ecosystem from multiple angles. Start by learning the basics of rowing with the Wilmington Youth Rowing Association (WYRA) and experience the thrill of teamwork in the "ultimate team sport." Then, embark on a hands-on environmental exploration of the Christina River Watershed at the **DuPont Environmental Education Center (DEEC)**, where campers will use nets, traps, and other tools to observe local aquatic life up close. **For more information and registration visit WYRA.org.**

Make DEEC your destination this summer! Hike or bike the Markell Trail, enjoy Summer Saturdays with Netting at the Marsh and Meet Marsh Animals programs, explore the new butterfly garden or canoe and kayak the Christina!

Camp Communication:

Before your camp week

Prepping for your Summer Camp before the camp week:

- For your convenience, the Parent's Corner, found on our Summer Camp webpage includes all the detailed information you will need for how to prepare for your camp week. If your camp has specific information you need to know, it will be posted at least two weeks prior to the start of the camp. Keep this link handy for all your camp information needs: DelNature.Org/CampInfo.

During your camp week

Camp Communication App: Your hub for camp updates and pictures during the camp week:

- This summer we will be using an app to share updates during your child's camp week. We will be posting pictures and notifying parents of any important information and reminders throughout the week. Check the app to stay up to date with camp news. After registration, this spring, you will receive an email with instructions to access the app for your child's camp. We can't wait to share all the fun of summer camp with DelNature parents!

PARENTS CORNER: GET READY FOR CAMP!

Vaccinations to Register

- Dates of 2 MMR and 1 DPT shot are required at time of registration.

Scholarship

- Scholarships are available. Download the application at **DelNature.org/Scholarships**

Refunds, Cancellations & Transfers

Effective June 1st, camp fees are non-refundable.

- Requests to withdraw from camp, made before June 1st, will be honored with a full refund if we can fill your child's spot, at the time of cancellation, with a child on the waiting list. If we cannot fill the spot at the time of cancellation, a cancellation fee of \$100 will be held. Effective June 1st, camp fees are non-refundable.
- Transfers will be accommodated as available. Two transfers, to another session, are permitted. Any additional transfers will be charged at \$35 administrative fee.

Photo Release

- By checking "yes" to photo release during registration, you are giving us the right to use photos/videos of your child to support our mission. We also reserve the right to use participant artwork to support our mission.

Camp Ages

- To provide the best experience possible, campers must have completed the correct grade indicated for each camp, to participate. Campers who are not in the correct grade group will be canceled from the camp.

How to Get On a Camp's Waitlist

- When searching camps on the Activities Calendar, you may see, after clicking on the camp, an alert saying the camp is full. In that alert, there is

a link to fill out a form to get on the waitlist for that camp. Submit that form to get on our waitlist.

Basic Policies for All Summer Camps

- **Absence:** If your child is not able to attend on a particular day, please let us know promptly so the camp is not delayed waiting for your child's arrival. See the Parents Corner for contact information for your camp site.
- **Non-Parent Pick-Up:** Add authorized pick-up people to your child's file during camp registration. After registration, authorized pick up people can be added through our front desk using the phone number below. IDs will be checked at pick up.
- **Inclement Weather at Pick-Up:** In case of heavy rain or thunderstorms please stay in your car until the storm abates. We will keep the campers in a safe, dry place during inclement weather and staff will then bring the campers out for pick up. Please note this may result in late pick up. Parents who cannot wait out the thunderstorm at pick up are welcome to pick up their child early before storms begin.
- **Road Closures:** During the summer, construction and road closures happen. We will do our best to alert you of these as we become aware of them. Updates will be posted on our website, Parents Corner, and the DelNature Camp App.
- **Lunch & Snacks:** Campers should bring water, lunch and snacks. If refrigeration is needed, campers will be asked to use an "Igloo" or similar personal lunch box with a cold pack. Water bottles can be refilled at the water fountain.
- **All allergies (food or other), emotional, physical and behavioral exceptionalities, restrictions, or medical needs** must be listed on your child's registration form, so that we can ensure they have a safe and

quality camp experience. The more we know about your child, the better we can make their experience. Feel free to call our camp staff to discuss your child's needs.

- **Sick Policy:** We ask parents to screen their child for illness before coming to camp each morning. If your child is showing any signs of illness, please keep them home. We will send children showing signs of illness home.

Drop Off & Pick Up

- Drop off begins 10 min. before the camp start time. Pick up begins 10 min. before the camp end time.

What to Bring

Make sure everything is marked with your camper's name

- Day pack with water bottle, snacks, and lunch – packs will be stored in a classroom during the day
- A change of clothes and shoes (shoes get wet, it's best to have a dry pair to change in to)
- Non-aerosol Insect repellent and sunscreen
- Bathing suit and towel (Ashland camps only)
- Medication (labeled and in original packaging w/instructions)

Medications

- For Campers requiring medications at camp, parents must complete the medication administration form and turn it in to the camp staff with the medication. Medication must be in the original container. For prescription medication, we must follow the dosage instructions on the prescription. For over-the-counter medications, dosage may not exceed the label instructions. The medication administration form can be found on the parent's corner web page. Please send only enough medications for the week and be sure to pick up the bottle at the end of the camp session.

PARENTS CORNER: GET READY FOR CAMP!

What to Wear

- Clothes that can get muddy and worn in all kinds of weather.
- Hat
- Closed-toe shoes (old sneakers, or water shoes) – no flip flops or sandals
- Dress for the weather - we go outside if it is raining

Kayak, Canoe, & Paddling Camps

What to Pack

- Lunch: Please pack in a waterproof container (like a dry bag)
- Water bottle
- Dry bag: We strongly suggest purchasing a 20-liter dry bag for your child to store and carry their lunch and belongings.

- Rain jacket if rain is in the forecast
- Towel
- Extra sunscreen/insect repellent

What to Wear

- Bathing suits or clothes that can get wet and dirty
- Closed-toe water shoes or sneakers that can get wet and that stay on
- Kayak gloves or a pair of good fitting garden gloves are optional, but they help prevent blisters and make hands more comfortable when paddling
- Hat (important for sun and insect protection)
- Sunglasses

Cooking Camps

What to Pack & Wear

- Wear closed-toe shoes
- Have hair tied back/braided and not hanging down loosely
- Avoid wearing shirts with flowing sleeves
- Bring 1-2 smaller plastic dishes with tight-fitting lids for campers to take samples home for sharing
